
ALPR02 - Quality Policy Statement

We have established this quality policy to be consistent with the purpose and context of our organisation. It provides a framework for the setting and review of objectives in addition to our commitment to satisfy applicable customers', regulatory and legislative requirements as well as our commitment to continually improve our management system.

Customer focus: The Top Management of Anglia Labels (Sales) Ltd have made a commitment to understand our current and future customers' needs; meet their requirements and strive to exceed their expectations.

Leadership: Our Top Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.

Engagement of people: As an organisation, we recognise that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit. Each employee has a proper understanding of the QMS and their contribution to its effectiveness. They will be trained to perform the duties required by their role

Health and Safety: Anglia Labels(sales) Ltd has overall responsibility for ensuring that we maintain high standards of health and safety. We rely on all of our employees, sub-contractors and clients to play their part in effectively implementing our health and safety policy and sharing in our commitment

Evidence-based decision making: As an organisation, we have committed to only make decisions relating to our QMS following an analysis of relevant data and information.

Relationship management: We recognise that an organisation and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory and legislative responsibilities.

We have produced quality objectives which relate to this policy and they can be found in document F021 Quality Objectives.

This policy is available/communicated to all interested parties as well as being made available to the wider community through publication on our Website, Company Noticeboard and Intranet.
